Dear Anthony,

I went through every active residential listing across Ottawa and the surrounding area. Every agent, every brokerage, every neighbourhood — from Kanata to Orleans, Barrhaven to Rockcliffe. And your name kept coming up.

Out of **715 licensed agents** active in this market, you rank **#1**. That puts you in the **top 0.1%** of every agent working Ottawa right now. **714 agents** are behind you.

38 active listings. $28.3M in estimated portfolio value. Median listing price of **$632K**, with a range from **$491K** to **$1.2M**.

You represent **26%** of ROYAL LEPAGE TEAM REALTY's active listings — one of the top producers in an office of 62 agents.

Your highest listing sits at **$1.2M**. The family spending $1.2M on a home in Ottawa expects the move to be organized, professional, and completely stress-free.

That's not a small thing. In a market of 715 agents, most are working with a handful of listings. You're operating at a different level, and that doesn't happen by accident.

We handle moves all across Ottawa and the surrounding area — local, long-distance, full-service packing, wrapping, and furniture assembly. Every job carries **$2M in liability coverage**. I wanted to reach out because I think there's a real opportunity for us to work together and take care of your clients.

Here's what I'd offer your clients, exclusively through you:

- **15% off their move** when referred by you
- Full-service packing, wrapping, and furniture assembly available
- A **dedicated move coordinator** for every job — one number for your client to call
- Real-time updates on move day so neither of you is left guessing
- **Priority scheduling** around closing dates whenever possible

When one of your clients needs moving support, send them our number or submit their details through our partner page:

(226) 773-2993

We'll tag the referral under your name, apply the preferred client discount, and handle everything from quote to move day. No paperwork. No pressure.

Your highest listing sits at **$1.4M**. The family spending $1.4M on a home in Ottawa expects the move to be organized, professional, and completely stress-free.

That's not a small thing. In a market of 715 agents, most are working with a handful of listings. You're operating at a different level, and that doesn't happen by accident.

We handle moves all across Ottawa and the surrounding area — local, long-distance, full-service packing, wrapping, and furniture assembly. Every job carries **$2M in liability coverage**. I wanted to reach out because I think there's a real opportunity for us to work together and take care of your clients.

Here's what I'd offer your clients, exclusively through you:

• **15% off their move** when referred by you

• Full-service packing, wrapping, and furniture assembly available

• A **dedicated move coordinator** for every job — one number for your client to call

• Real-time updates on move day so neither of you is left guessing

• **Priority scheduling** around closing dates whenever possible

Dear Angela,

I went through every active residential listing across Ottawa and the surrounding area. Every agent, every brokerage, every neighbourhood — from Kanata to Orleans, Barrhaven to Rockcliffe. And your name kept coming up.

Out of **715 licensed agents** active in this market, you rank **#26**. That puts you in the **top 3.6%** of every agent working Ottawa right now. **689 agents** are behind you.

7 active listings. $3.3M in estimated portfolio value. Median listing price of **$455K**, with a range from **$440K** to **$526K**.

You personally account for **32%** of **PAUL RUSHFORTH REAL ESTATE INC.**'s entire listing inventory. There are 2 agents from your brokerage in the top tier, and you're carrying the weight.

Your portfolio is concentrated in **Clarence-Rockland**. You own that market.

Your highest listing sits at **$526K**. The family spending $526K on a home in Ottawa expects the move to be organized, professional, and completely stress-free.

That's not a small thing. In a market of 715 agents, most are working with a handful of listings. You're operating at a different level, and that doesn't happen by accident.

We handle moves all across Ottawa and the surrounding area — local, long-distance, full-service packing, wrapping, and furniture assembly. Every job carries **$2M in liability coverage**. I wanted to reach out because I think there's a real opportunity for us to work together and take care of your clients.

Here's what I'd offer your clients, exclusively through you:

- **15% off their move** when referred by you
- Full-service packing, wrapping, and furniture assembly available
- A **dedicated move coordinator** for every job — one number for your client to call
- Real-time updates on move day so neither of you is left guessing
- **Priority scheduling** around closing dates whenever possible

When one of your clients needs moving support, send them our number or submit their details through our partner page:

(226) 773-2993

We'll tag the referral under your name, apply the preferred client discount, and handle everything from quote to move day. No paperwork. No pressure.

We handle moves all across Ottawa and the surrounding area — local, long-distance, full-service packing, wrapping, and furniture assembly. Every job carries **$2M in liability coverage**. I wanted to reach out because I think there's a real opportunity for us to work together and take care of your clients.

Here's what I'd offer your clients, exclusively through you:

• **15% off their move** when referred by you

• Full-service packing, wrapping, and furniture assembly available

• A **dedicated move coordinator** for every job — one number for your client to call

• Real-time updates on move day so neither of you is left guessing

• **Priority scheduling** around closing dates whenever possible

I went through every active residential listing across Ottawa and the surrounding area. Every agent, every brokerage, every neighbourhood — from Kanata to Orleans, Barrhaven to Rockcliffe. And your name kept coming up.

Out of **715 licensed agents** active in this market, you rank **#51**. That puts you in the **top 7.1%** of every agent working Ottawa right now. **664 agents** are behind you.

4 active listings. $4.6M in estimated portfolio value. Median listing price of **$417K**, with a range from **$270K** to **$3.5M**.

You personally account for **36%** of **RE/MAX ABSOLUTE REALTY INC.**'s entire listing inventory. There are 5 agents from your brokerage in the top tier, and you're carrying the weight.

3 of your 4 listings are in Ottawa, but you're also active in Clarence-Rockland. That kind of range tells me you're not a one-neighbourhood agent.

That's not a small thing. In a market of 715 agents, most are working with a handful of listings. You're operating at a different level, and that doesn't happen by accident.

We handle moves all across Ottawa and the surrounding area — local, long-distance, full-service packing, wrapping, and furniture assembly. Every job carries **$2M in liability coverage**. I wanted to reach out because I think there's a real opportunity for us to work together and take care of your clients.

Here's what I'd offer your clients, exclusively through you:

- **15% off their move** when referred by you
- Full-service packing, wrapping, and furniture assembly available
- A **dedicated move coordinator** for every job — one number for your client to call
- Real-time updates on move day so neither of you is left guessing
- **Priority scheduling** around closing dates whenever possible

When one of your clients needs moving support, send them our number or submit their details through our partner page:

We'll tag the referral under your name, apply the preferred client discount, and handle everything from quote to move day. No paperwork. No pressure.

Dear Marc,

I went through every active residential listing across Ottawa and the surrounding area. Every agent, every brokerage, every neighbourhood — from Kanata to Orleans, Barrhaven to Rockcliffe. And your name kept coming up.

Out of **715 licensed agents** active in this market, you rank **#65**. That puts you in the **top 9.1%** of every agent working Ottawa right now. **650 agents** are behind you.

4 active listings. $5.8M in estimated portfolio value. Median listing price of **$862K**, with a range from **$200K** to **$3.9M**.

You personally account for **36%** of **RE/MAX DELTA REALTY TEAM**'s entire listing inventory. There are 6 agents from your brokerage in the top tier, and you're carrying the weight.

3 of your 4 listings are in Ottawa, but you're also active in Clarence-Rockland. That kind of range tells me you're not a one-neighbourhood agent.

That's not a small thing. In a market of 715 agents, most are working with a handful of listings. You're operating at a different level, and that doesn't happen by accident.

We handle moves all across Ottawa and the surrounding area — local, long-distance, full-service packing, wrapping, and furniture assembly. Every job carries **$2M in liability coverage**. I wanted to reach out because I think there's a real opportunity for us to work together and take care of your clients.

Here's what I'd offer your clients, exclusively through you:

- **15% off their move** when referred by you

Dear Louis-Philippe,

I went through every active residential listing across Ottawa and the surrounding area. Every agent, every brokerage, every neighbourhood — from Kanata to Orleans, Barrhaven to Rockcliffe. And your name kept coming up.

Out of **715 licensed agents** active in this market, you rank **#78**. That puts you in the **top 10.9%** of every agent working Ottawa right now. **637 agents** are behind you.

3 active listings. $3.0M in estimated portfolio value. Median listing price of **$1000K**, with a range from **$910K** to **$1.1M**.

You personally account for **30%** of **ENGEL & VÖLKERS OUTAOUAIS**'s entire listing inventory. There are 6 agents from your brokerage in the top tier, and you're carrying the weight.

2 of your 3 listings are in Chelsea, but you're also active in Gatineau (Aylmer). That kind of range tells me you're not a one-neighbourhood agent.

That's not a small thing. In a market of 715 agents, most are working with a handful of listings. You're operating at a different level, and that doesn't happen by accident.

We handle moves all across Ottawa and the surrounding area — local, long-distance, full-service packing, wrapping, and furniture assembly. Every job carries **$2M in liability coverage**. I wanted to reach out because I think there's a real opportunity for us to work together and take care of your clients.

Here's what I'd offer your clients, exclusively through you:

- **15% off their move** when referred by you
- Full-service packing, wrapping, and furniture assembly available
- A **dedicated move coordinator** for every job — one number for your client to call
- Real-time updates on move day so neither of you is left guessing
- **Priority scheduling** around closing dates whenever possible

Dear Frédérick,

I went through every active residential listing across Ottawa and the surrounding area. Every agent, every brokerage, every neighbourhood — from Kanata to Orleans, Barrhaven to Rockcliffe. And your name kept coming up.

Out of **715 licensed agents** active in this market, you rank **#91**. That puts you in the **top 12.7%** of every agent working Ottawa right now. **624 agents** are behind you.

3 active listings. $720K in estimated portfolio value. Median listing price of **$230K**, with a range from **$200K** to **$290K**.

You represent **12%** of Guilbault services immobiliers inc.'s active listings — one of the top producers in an office of 6 agents.

2 of your 3 listings are in Gatineau (Buckingham), but you're also active in #2. That kind of range tells me you're not a one-neighbourhood agent.

That's not a small thing. In a market of 715 agents, most are working with a handful of listings. You're operating at a different level, and that doesn't happen by accident.

We handle moves all across Ottawa and the surrounding area — local, long-distance, full-service packing, wrapping, and furniture assembly. Every job carries **$2M in liability coverage**. I wanted to reach out because I think there's a real opportunity for us to work together and take care of your clients.

Here's what I'd offer your clients, exclusively through you:

• **15% off their move** when referred by you

• Full-service packing, wrapping, and furniture assembly available

• A **dedicated move coordinator** for every job — one number for your client to call

• Real-time updates on move day so neither of you is left guessing

• **Priority scheduling** around closing dates whenever possible

When one of your clients needs moving support, send them our number or submit their details through our partner page:

Dear Nancy,

I went through every active residential listing across Ottawa and the surrounding area. Every agent, every brokerage, every neighbourhood — from Kanata to Orleans, Barrhaven to Rockcliffe. And your name kept coming up.

Out of **715 licensed agents** active in this market, you rank **#104**. That puts you in the **top 14.5%** of every agent working Ottawa right now. **611 agents** are behind you.

3 active listings. $1.5M in estimated portfolio value. Median listing price of **$426K**, with a range from **$320K** to **$745K**.

You represent **11%** of RE/MAX DIRECT INC. - Gatineau's active listings — one of the top producers in an office of 18 agents.

You're active across **Thurso, Gatineau (Masson-Angers), Gatineau (Gatineau)** — median listing of **$426K**, range from $320K to $745K. You serve the full Ottawa market.

That's not a small thing. In a market of 715 agents, most are working with a handful of listings. You're operating at a different level, and that doesn't happen by accident.

We handle moves all across Ottawa and the surrounding area — local, long-distance, full-service packing, wrapping, and furniture assembly. Every job carries **$2M in liability coverage**. I wanted to reach out because I think there's a real opportunity for us to work together and take care of your clients.

Here's what I'd offer your clients, exclusively through you:

- **15% off their move** when referred by you
- Full-service packing, wrapping, and furniture assembly available
- A **dedicated move coordinator** for every job — one number for your client to call
- Real-time updates on move day so neither of you is left guessing
- **Priority scheduling** around closing dates whenever possible

Dear Daniel,

I went through every active residential listing across Ottawa and the surrounding area. Every agent, every brokerage, every neighbourhood — from Kanata to Orleans, Barrhaven to Rockcliffe. And your name kept coming up.

Out of **715 licensed agents** active in this market, you rank **#131**. That puts you in the **top 18.3%** of every agent working Ottawa right now. **584 agents** are behind you.

2 active listings. $575K in estimated portfolio value. Median listing price of **$287K**.

1 of your 2 listings are in Cantley, but you're also active in #306. That kind of range tells me you're not a one-neighbourhood agent.

That's not a small thing. In a market of 715 agents, most are working with a handful of listings. You're operating at a different level, and that doesn't happen by accident.

We handle moves all across Ottawa and the surrounding area — local, long-distance, full-service packing, wrapping, and furniture assembly. Every job carries **$2M in liability coverage**. I wanted to reach out because I think there's a real opportunity for us to work together and take care of your clients.

Here's what I'd offer your clients, exclusively through you:

• **15% off their move** when referred by you

• Full-service packing, wrapping, and furniture assembly available

• A **dedicated move coordinator** for every job — one number for your client to call

• Real-time updates on move day so neither of you is left guessing

• **Priority scheduling** around closing dates whenever possible

When one of your clients needs moving support, send them our number or submit their details through our partner page:

(226) 773-2993

starmovers.ca/partners

We'll tag the referral under your name, apply the preferred client discount, and handle everything from quote to move day. No paperwork. No pressure.
